

## BeyondROI Recognized As One of the Leading Web Designers in the Eastern United States

*BeyondROI's Website Design Division honored as a top provider in the August 24th edition of Forbes Magazine*

Boca Raton, FL (PRWEB) August 13, 2009 -- BeyondROI, a leading provider of performance-based digital marketing solutions, today announced that it has been selected by Goldline Research as one of the leading [Web Designers](#) of the Eastern United States for 2009. The list is published in the August 24th issue of Forbes Magazine.

---

***"We believe that they are setting the benchmarks for the industry as a whole."***

---

"Those selected provide extensive client service that exceeds the industry standard," said Dana Mahoney, Analyst, Goldline Research. "We believe that they are setting the benchmarks for the industry as a whole."

"Companies today investing in a new website expect innovative design, back-end functionality and user friendly interfaces," said Richard J. Pollack, founder and CEO of BeyondROI. "We do not stop there - our standard of excellence demands best-of-breed websites that are search engine friendly and conversion centric. Additionally, digital marketing experts then craft an intelligent go-to-market strategy, leveraging key elements from BeyondROI's full suite of advertising solutions."

Goldline Research recently completed its annual evaluation of Web Designers in the Eastern United States. The research study was conducted from late April 2009 through late June 2009.
